

## TRAVEL

Preberi oglase za potovanja in trditve v razpredelnici. S križcem označi, na kateri oglas se nanaša posamezna trditev. Možni sta tudi dve rešitvi pri posamezni trditvi.

|   | A holiday destination ...                                      | Tour<br>Canada | Clasical<br>Spain | Austrian<br>Tyrol &<br>Garda |
|---|--|----------------|-------------------|------------------------------|
| 1 | Where you can discover their culture (dances, writers,...).    |                |                   |                              |
| 2 | Where you can visit two European countries.                    |                |                   |                              |
| 3 | Where you can see very tall buildings.                         |                |                   |                              |
| 4 | Where you are on holiday for less than a week.                 |                |                   |                              |
| 5 | Where you can visit natural wonders.                           |                |                   |                              |
| 6 | Where you are staying in a three star hotel.                   |                |                   |                              |
| 7 | Where the costs for only one person are included in the price. |                |                   |                              |
| 8 | Where you can visit old, historical buildings.                 |                |                   |                              |
